Lesson 11 Blends  (Refer to Toogood Text 11-12 through 11-18)

I. Create two offset datum planes (use parameters for offset distance $L_1=400$, $L_2=400$):

II. Sketch sections shown in Figure 21, 22 and 23 on Frontal, DTM1 and DTM2, respectively:

III. Use the insert blend protrusion to make sections (capture edge):

IV. Shell:
